Close the borders now - no more excuses.

Stop depending on foreign oil.

Use our military justly to protect and defend our liberty.

Stop spending our country into bankruptcy.

No Hillary-Obama-McCain health care solutions.

No more financing the United Nations.

Stop judicial tyranny and legislating from the bench.

End the merging of the USA with foreign countries.

Immediately stop our laws penalizing U.S. Businesses.

Remove all hidden taxes and abolish the IRS.
